### Students with Disabilities

students with disabilities must register with the Center for Teaching and Learning Excellence and provide relevant and current medical documentation

[Center for Teaching and Learning Excellence](#)

### Writing Center Services

Writing Center Services provide support and assistance to students who are struggling with writing assignments. Services include one-on-one tutoring, workshops, and writing guides.

For more information, visit the [Writing Center Services](#) page on the Center for Teaching and Learning Excellence website.

**DISCUSSION QUESTIONS**

1. The following are the names of the four main types of cells in the human body. Write down the name of the cell and its function.

1.1. Epithelial cells: These cells form the lining of organs and tissues.

1.2. Muscle cells: These cells are responsible for movement.

1.3. Nerve cells: These cells transmit electrical signals throughout the body.
