'RZQ WKH 3+RPH 6WUHWFK'

I hope that everyone had a restful and rejuvenating Easterk. While we are continuing to see low positivity rates on campus up to this point in the semester, we still have 6 weeks of classes in this challenging semester. We are particularly watching the impact of students returning to campus after Easter East Students who chose to depart the Storm area for the break will be scheduled for University surveillance testing during the weeks immediately follower for each

Summer and Fall plans

As announce (https://www.scranton.edu/royassafetogether/assets/documents/sumfadir_2021.pd), the University will begin to open campus forpierson events and activities this summer which will includeorientation sessions for the Class of 2025, ongoing admissions tours, some classes and laboratories, University insored summer programs, and conferences and camps conducted by outside groups. Campus will remain closed to the general public.

We also planto offer undergraduate and graduate classes fullyeinson in fall 202,1excluding graduate programs that are traditionally online. Classes are expected to begin as planned on Monday, Aug. 30, with Fall Welcome Weekend scheduled for Saturday and Sunday,28/29. Implementing a fully imperson approach will depend on a number of factors, including vaccination and infection rates, and will demand that we retain many of the safety measures now in place. All plans are subject to change based on guidance,

Ceremony will be moved to the Mohegan Sun Arena.

Office of Research and Sponsored Programs

If you are mentoring Senior or Graduate studentwho is performingesearch or scholarly work, we ask you to encourage them to share their results using the link below. They may submit an abstract that we will make available to the University community. They also have the option of submitting a video (approximately 3 mtes in length) in which they describe their project and conclusion Students from all colleges and disciplines are encouraged to participate!

Acceptable student scholarly work includes thesis research, research conducted as part of the Faculty/Student Re
