WML Information Literacy Instruction Assessment 2018-19 Classroom Activity Report – Individual

Faculty Librarian: lan O'Hara

Semester: Spring 2019

SLO 3: As a result of this information literacy instruction, studewills be able to set up an account in Zotero and utilize this tool in order account search results and associated metadata.

How will you know how students are doing as they work toward meeting these outcomes?

This assignment is quite intensive and requaireseat deal of time prior to completion udents were encouraged to reach out to me directly either individually or in their groups in case they encounter issues regarding th
